Subject: Potential Visiting professor

Dear Vice Chancellor

Please find attached a curriculum vitae, with extensive personal commentary, and a case for considering Patrick Holford for appointment as a visiting professor. I appreciate that the procedures for this are undergoing change, but we are currently negotiating a significant collaboration with Mr Holford's Brain Bio Centre and it would be really helpful for the School and the Cactus Clinic if we could have this case considered at the next conferment committee in June/July 2007. Patrick would be a real asset to the School and the Cactus Clinic and I hope you can agree this course of action.

All the best

Barry
